

## LET THE HOLY SPIRIT TAKE CONTROL

Words & Music by Glenda H. Davis

*Let the Holy Spirit take control;  
Yield to Him our body, mind, and soul.  
He will show us of our Father's love;  
He will give us power from above.*

Holy Spirit, living in us,  
Will guide us into all truth.  
When we gave our heart to Jesus,  
We received His Spirit as proof.

*Let the Holy Spirit take control;  
Yield to Him our body, mind, and soul.  
He will show us of our Father's love;  
He will give us power from above.*

Holy Spirit, living in us,  
Will comfort in time of need.  
He will keep us from all evil  
When His still, small voice we heed.

*Let the Holy Spirit take control;  
Yield to Him our body, mind, and soul.  
He will show us of our Father's love;  
He will give us power from above.*

Holy Spirit, living in us,  
Is with us when we sin.  
With His chast'ning He reminds us  
To turn right back to Him.

*Let the Holy Spirit take control;  
Yield to Him our body, mind, and soul.  
He will show us of our Father's love;  
He will give us power from above.  
Holy Spirit... take control.*
